

WANTED:

HOMES IN NEED OF REPAIR

If you own your home, live in the County of Lewis, and meet the income guidelines, Snow Belt Housing Company, Inc. may be able to help. Lewis County was recently awarded \$522,500 in Community Development Block Grant funds for a housing rehabilitation program to assist income eligible homeowners in eliminating unsafe housing conditions. Your home must be a single family home and be your primary residence. Typical repairs might include: roofing, windows, doors, electrical upgrades, septic systems, siding, plumbing, etc. Lewis County has contracted with Snow Belt Housing to administer and deliver this program. ***Funds are limited so act now!*** Call Snow Belt Housing at (315) 376-2639 to learn more about this program or to receive an application. Applications can also be downloaded from Snow Belt's website at www.snowbelt.org.
